

Certified Tree Worker Workshop Registration

June 8th and 9th, 2013
San Pedro Springs Park, San Antonio Texas

To become an ISA Certified Tree Worker there are many requirements. You must have 1.5 years climbing experience, pass both the written exam and skills exam, complete an aerial rescue training, maintain CPR/ First aid certification and pass a knot tying demonstration. You can get everything you need in this two day workshop. You will need 1.5 years experience and to pass the written and skills test.

Name	
Company	
Address	City, State
Email	Phone

YOU MUST SUBMIT YOUR TEST APPLICATION TO ISA SEPARATELY

Download the ISA application at:

<https://secure.isa-arbor.com/mbrappl/applicationForm.aspx?type=Certification03>

Cost for the workshop:

- ___ San Antonio Arborist Association (SAAA) or ISAT Member: \$125.00
- ___ Non-SAAA members: \$150.00

Visit ISAT's website at: <http://www.isatexas.com/> to pay workshop fee and submit this application. **This does not include your testing fee that must be submitted separately along with your test application.** The ISA link above will take you to the application required by ISA. **Applications and payment must be received by ISA by May 21st, 2013, NO EXCEPTIONS.** Mail or fax your application directly to ISA. Only 10 participants will be accepted.

Contact Jacob West (210-655-4670) or Booker Arradondo (210-657-8085) with any questions.
